Description

215 Main Street, Biggar, Saskatchewan

Overview

Historic two-storey commercial building in the heart of Biggar's newly revitalized downtown core. Built in 1928 (with a 1984 addition) and historically known as the Miller Block, the property most recently operated as a pharmacy and offers a rare combination of main-level retail space, upper-level residential suites, and basement storage under one roof: 8,124 sq ft on the main level, 7,746 sq ft in the basement, and 4,026 sq ft on the second level, for just under 20,000 sq ft combined across all three levels. This scale suits a business looking for a character building with a significant main-floor footprint, additional storage, and potential residential revenue upside.

Main Floor: Space and Storage

- Main level: 8,124 sq ft, including approximately 5,246 sq ft of retail space (47 ft x 98 ft in the main building, plus 20 ft x 32 ft in the Lot 7 building)
- Approximately 2,878 sq ft of back-of-house area, including stairwells, storage, and a 16 ft x 16 ft raised office with an 8 ft x 8 ft vault

Basement and Site

- Basement: 7,746 sq ft with full concrete floors, available for development or storage; 128 ft x 54 ft (6,912 sq ft) under the main Lot 5 and 6 building, plus 40 ft x 21 ft (840 sq ft) under the Lot 7 building
- Site: 0.22 acres (9,772 sq ft) with 75 ft of Main Street frontage across four titles, zoned C1, Town Centre Commercial District

Upper Level: Longer-Term Upside

The building also includes six residential suites on the upper level (4,026 sq ft), currently vacant. The suites have not been occupied for many years and would need renovation before they could be reoccupied. For a buyer willing to invest, the upper level offers longer-term revenue potential beyond the main-floor opportunity.

Condition and Buyer Due Diligence

- Roof: upper floor roof and front brickwork were repaired in 2025; the rear roof section will require some repairs to address an existing leak
- Heating and air conditioning: two rooftop HVAC units on the Lot 5 and 6 building, plus a forced air furnace in the Lot 7 basement, service the main floor; radiators remain in the upper suites, though the boiler servicing the upper level is no longer in use
- Electrical: no active power currently connected to the upper level
- Although no active leaks, some upper-level suites show evidence of past water damage
- Buyers should complete their own due diligence, including confirming zoning status for residential use with the Town of Biggar

Main Street Biggar: A Downtown on the Rise

215 Main Street sits in the middle of a downtown that has just come through a \$5 million Main Street revitalization, launched in 2021 and completed in 2026. It brought upgraded sidewalks, new lighting and signage, storefront enhancements, and Brownlee Square, featuring a replica train station, a permanent concert stage, and a dedicated farmers' market space, to Main Street. For a business locating on Main Street, this means an upgraded streetscape in a vibrant downtown core.

Price and Offers

Offers will be reviewed under a delayed presentation (917 Clause). All offers presented to the Seller on September 16, 2026.

Property Information for Prospective Buyers

215 Main Street, Biggar, Saskatchewan S0K 0M0

Legal Description: Lots 5, 6, 7 & 44, Block 7, Plan D4770 (Sup), Town of Biggar

Registered Owner: 102161461 Saskatchewan Ltd.

This Property Information Sheet is provided by the Listing Brokerage as a supplement to the SAMA assessment, ISC parcel information, property description, and photographs included elsewhere in this package. It reflects information provided by the Seller and the Listing Agent's own observations as of September 2026. It is provided for general information only, is not warranted, and is not a substitute for the Buyer's own independent inspection or other due diligence.

Quick Facts

List Price	\$99,000
Above-Grade Building Area	12,150 sq ft
Basement Area (additional)	7,746 sq ft
Site Area	0.22 acres (9,772 sq ft), 4 titles
Zoning	C1, Town Centre Commercial District
Year Built	1928, with 1984 addition
Residential Suites (upper level)	6
Offer Presentation	September 16, 2026 (delayed presentation / 917 Clause)

1. Site

- Total site area: approximately 0.22 acres (9,772 sq ft), comprised of four titles: three lots approximately 25' x 130' each, plus one small connecting parcel.
- Frontage: approximately 75 ft along Main Street (based on ISC Parcel picture measurements).
- Zoning: C1, Town Centre Commercial District, Town of Biggar.

2. Building: General

- Year built: 1928, with a 1984 addition (the 18 ft x 16 ft rear storage addition on the Lot 7 building).
- Construction: concrete frame, masonry.
- Storeys: 2, plus basement.
- The building comprises two connected structures: the main building on Lots 5 & 6, and a smaller building on Lot 7.
- Main floor storey height is 14 ft across both structures, with a 10 ft suspended ceiling in the main retail area (Lots 5 & 6) and a 12 ft suspended ceiling in the retail area of the Lot 7 building.
- Building is vacant.

2A. Building Area Detail

The following component breakdown is derived from SAMA records. Note, the building on Lots 5 & 6 was the main retail area of the former Pharmasave. On the SAMA assessments, this 128ft deep x 54ft wide building is divided into 2 sections – 59 ft x 54ft representing the front (main street) portion and 69ft x 54ft representing the back portion of the building:

Structure	Main Floor Footprint	Dimensions	Area
Main Building (Lots 5 & 6)	East section (ie Main Street side)	59 ft x 54 ft	3,186 sq ft
Main Building (Lots 5 & 6)	West section (rear portion)	69 ft x 54 ft	3,726 sq ft
Building on Lot 7	Main structure - Lot 7 building is the smaller retail area connected to the main Pharmasave retail area.	40 ft x 21 ft	840 sq ft
Building on Lot 7	Rear storage addition (built 1984)	18 ft x 16 ft	288 sq ft
Building on Lot 7	Previously the rear Lot 7 building entrance	18 ft x 5 ft	90 sq ft

Main level (both structures combined): 8,124 sq ft per SAMA. Of this, retail/showroom space is approximately 4,606 sq ft (47 ft x 98 ft) in the main building plus 640 sq ft (20 ft x 32 ft) in the Lot 7 building, a combined 5,246 sq ft.

The remaining approximately 2,878 sq ft of main-level space is non-retail, comprised of stairwells, back storage, a 2-piece bathroom, a 16 ft x 16 ft raised office area (including an 8 ft x 8 ft vault) in the rear of the Lots 5 & 6 building, storage behind the former pharmacy counter.

Expansion potential: the retail area of the main building could be expanded to if the former pharmacy dispensary area were removed, for a potential retail footprint of approximately 6,130 sq ft, up from the current 5,246 sq ft.

Upper level (residential, see Section 4): 4,026 sq ft, comprised of suites above the 59 ft x 54 ft (3,186 sq ft) Main Street-facing (east) portion of the Lots 5 & 6 building and 40 ft x 21 ft (840 sq ft) above the Lot 7 building. The suites do not extend over the rear (west/alley side) portion of the Lots 5 & 6 building or the 18 ft x 16 ft addition of the Lot 7 building.

Advertised (above-grade) building area: 12,150 sq ft (8,124 sq ft main level + 4,026 sq ft upper level). Below-grade basement space is not included in this figure.

2B. Basement Detail

Basement area: 7,746 sq ft of additional storage space beneath the main buildings. The basement mirrors the footprint of the Lots 5 & 6 building (east and west sections) and the original Lot 7 structure. There is no basement beneath the 1984 addition of the Lot 7 building. The basement under the Lots 5 & 6 building is accessible from inside the building; the basement under the Lot 7 building is accessible from a separate outside entrance.

Structure	Basement Footprint	Dimensions	Area
Main Building (Lots 5 & 6)	East section (Main St side)	59 ft x 54 ft	3,186 sq ft
Main Building (Lots 5 & 6)	West section (rear lane side)	69 ft x 54 ft	3,726 sq ft
Building on Lot 7	Main structure	40 ft x 21 ft	840 sq ft

The basement is reported to be in excellent condition given the building's age.

3. HVAC & Mechanical

- Heating: primary heat is provided by two rooftop HVAC units, supplemented by a forced air furnace located in the basement of the Lot 7 building.
- Cooling: provided via the rooftop HVAC units.
- Radiators remain present in the upper-level suites; however, the boiler that historically served them is not in use.
- Electrical: other than 1 light in the utility room, no active power was connected to the upper level.
- Plumbing:
 - Main Level: no issues observed; the building has not been professionally inspected.
 - Upper Level: Plumbing is not currently in use.

4. Upper Level: Residential Suites

Six suites, 4,026 sq ft total, located above the Main Street-facing (east) portion of the Lots 5 & 6 building and above the full footprint of the original Lot 7 building (see Section 2A):

Suite	Upper Level Layout	Bath
1	1 bedroom + den, kitchen, living room	3-pc
2	2 bedroom, kitchen, living room	3-pc
3	1 bedroom, kitchen, living room	3-pc
4	1 bedroom, kitchen, living room	3-pc
5	1 bedroom, kitchen/living room combined	3-pc
6	1 bedroom, kitchen, living room	3-pc

Shared laundry room. 10 ft ceilings. Large 6 ft high windows facing Main Street. Hardwood flooring beneath carpet in most units. The suites have not been occupied for many years.

Notes::

- Fire egress: The upper level currently has only one means of entry and exit, through the main ground-floor entrance fronting Main Street. While there are 2 doors to the roof, there is no secondary fire exit. This may not be in compliance with fire and safety code requirements for residential occupancy.
- Zoning status: Residential use of the upper level is a discretionary use under the Town of Biggar's C1 zoning bylaw. Whether a Council resolution approving this discretionary use exists on file for this property has not been confirmed. Buyers intending to use the upper level residentially should confirm zoning status directly with the Town of Biggar.
- Roof: The front roof section above the upper level and front brickwork were repaired in 2025. The rear/lower roof section is reported to have a leak that may need to be repaired. No signs of active water damage (beyond the roof leak area noted above), however there is evidence of historical water damage in some upper level residential suites

7. Price & Offer Terms

- The Property is offered for sale on an "as is, where is" basis, with no warranties expressed or implied by the Seller as to condition except as stated herein.
- Offers will be reviewed under a delayed presentation (917 Clause): offers to be presented September 16, 2026. Interested Buyers should submit their offer prior to that date.
