Public Remarks: Stunning 10-acre country residential acreage located in the highly desirable RM of Corman Park, just 5 minutes from both Saskatoon and Martensville. The custom-built 2-storey split home offers 2,080 sq. ft. of above-grade living space and was built in 1979, completed in 1980. The main floor features a spacious kitchen with hardwood flooring, formal dining room, large family room, massive 13' x 21' living room, 2-piece bathroom, and a cozy nook area. Upstairs you'll find 3 generous bedrooms, including a primary bedroom with a 3-piece ensuite, plus an additional 4-piece bathroom. The basement provides a large unfinished utility/storage area ready for future development. Comfort features include natural gas forced-air heating, central air conditioning, wood fireplace, rented Culligan water treatment system, and a heated double attached garage measuring 24' x 21'. This property is exceptionally well-equipped for hobbyists, mechanics, or small-acreage enthusiasts. The detached 20' x 30' insulated shop includes electric heat, concrete floor, oil change pit, and both 110V and 220V power. Attached is an additional 16' x 24' garage space with cement floor and fully lined interior. A massive 40' x 69' metal Quonset with independent 200-amp service offers outstanding storage and equipment space. The mature yard site is beautifully treed with a shelterbelt and backs onto open fields, creating excellent privacy and scenic prairie views. Outdoor features include lawn areas, garden space, patio, fire pit, and storage sheds. Water services include a rural public water line with holding tank and pressure system, a private well with pump, and a second well supplied by a neighboring dugout for garden irrigation. Sewer is serviced through a septic tank and liquid surface disposal system. Please note: outdoor pool, sauna, children's play structures, office trailer, and rented water softener will be removed prior to possession.
