Service Type: Listing

Rural Municipality: RM 345 Vanscoy

Closest Town: Pike Lake

Location: Saskatchewan

Title Acres (ISC): 39.8

Price: \$1,125,000

\$/Titled Acres: \$28,266.33

Description

This impressive **40-acre equestrian acreage near Pike Lake** offers an exceptional combination of country living, privacy, and extensive horse facilities, all within convenient reach of Saskatoon. Situated just 1.5 km off pavement on a quiet no-exit road, the property features a spacious home with a private suite, multiple garages, reliable water systems, and a beautifully developed yard. Horse enthusiasts will appreciate the covered and outdoor riding arenas, well-equipped barn, multiple pastures, shelters, heated watering bowls, and established fencing. With significant improvements already completed and Pike Lake Provincial Park, schools, recreation, and everyday amenities nearby, this is a well-developed acreage ready for its next owners to enjoy.

House & Suite

- Home built in 1980 with double-framed/double 2x4 insulated walls (4 bedrooms and 2 bathrooms).
- Private suite completed in 2008 with 1 bedroom, 3-piece bathroom, kitchen, living room and separate entrance.
- 2 natural gas fireplaces — one upstairs and one in the suite.
- Natural gas plumbed for the stove and garage heater, with the option to accommodate a furnace.
- 2016 shingles.
- Wraparound Deck redone in 2026, approximately \$20,000–\$25,000 (1,200 sq. ft.).
- 6-person hot tub installed in 2022.
- 3-car detached garage plus 1-car attached garage.
- Playhouse/tree fort with 4 built-in bunks.
- Firepit and landscaped yard.

Land, Water & Services

- 40 acres, approximately 1.5 km off pavement.
- Located on a quiet no-exit road with very little traffic.
- 3 sand-point wells — 2 serving the house and 1 serving the barn; all pumps replaced within the last 7 years.
- Water treatment system with iron filter.
- Dedicated irrigation system for underground sprinklers in the main yard, including timers and controls.
- Septic pumped annually.

Equestrian Facilities

- 72' × 110' covered riding arena, erected in 2021, with approximately 15 years of transferable warranty remaining.
- Good riding base and power.
- Barn includes 10 box stalls with potential for 12 (2 stalls were removed), plus a wash bay.
- Heated tack/utility room, plumbed for a water heater.
- Grain bin with auger directly into the feed room.
- Cement barn floor and asphalt shingles.
- Outdoor riding arena approximately 95' × 105'.
- 5 pastures.
- Front 20-acre pastures includes 6 shelters and 2 heated watering bowls.
- Back 20-acre pasture includes 1 heated watering bowl and high-tensile fencing.
- Back fencing and shelters redone in 2022 at an approximate cost of \$20,000.
- Outdoor arena represents an approximate \$150,000 investment.

Location & Amenities

- Approximately 5 km from Pike Lake Provincial Park, offering a lake, pool, camping, cross-country skiing and skating.
- Approximately 5 minutes from Pike Lake School (K–4), community hall and outdoor rink.
- Approximately 2 km from a gas station/convenience store.
- Approximately 15 minutes from west-side/Blairmore Walmart in Saskatoon.

Approximate Costs

- SaskEnergy: \$55/month
- SaskPower: \$550/month
- Property taxes: \$3,925/year

Average per 160 acres \$156,000

SAMA Information

This information is collected from Saskatchewan Assessment Management Agency via field sheets on each individual parcel. It includes specific information such as: assessed value, uses of soil (cultivated, arable, pasture, wetlands, etc), number of acres for each use, soil profile information including association & texture, topography, stones, salinity and soil final rating.

Soil Final Rating

The final rating (FR) is the productivity rating for the acres adjusted for economic factors that affect the average cost of production for specified features. The economic factors include stones, topography, natural hazards, man-made hazards, tree cover and miles to market. The final rating units are index points per acre. Soils are given a rating from 100 (best) to 0 (worst). Soils with a final rating under 30 are marginal and rarely cropped.

Saskatchewan Crop Insurance Corporation (SCIC)

SCIC gives a class rating to every quarter section in Saskatchewan to reflect its productivity. Ratings range from Class A (best) to Class P (worst). There are 23 different risk zones in Saskatchewan. Please note a class B rating in risk zone 3 does not necessarily have the same productive capacity as a class B rating in risk zone 16.
